False Flag Terrorism

Greetings Friends

From all around the World, On Monday 22 August 2011, the Parliamentary Joint Committee on Intelligence and Security tabled its report entitled Review of the listing of AQAP and the re-listing of six terrorist organizations.

[http://www.aph.gov.au/house/committee/pjcis/AQAP\\_6%20terrorist%20orgs/report.htm](http://www.aph.gov.au/house/committee/pjcis/AQAP_6%20terrorist%20orgs/report.htm)

The following politicians elected to Parliament to serve the Australian people sitting on this committee have now gone from beyond being "Incompetent" to being down right corrupted, compromised.

They should be glad I am not a General in the Australian Army, I would order a Battalion of my finest troops to storm Parliament House and pull all these people about to be named on the shame list outside.

Line them up against the Wall for "Treason" and shot! Along with all their staff, advisers and the "Traitorous" experts advising these people to list the following Terrorist Groups.

Harsh words I know, but I have no time for  
“Traitors”

10 Years on from 11<sup>th</sup> Sept 2001 Terrorist Attacks in New York, when the World changed and there is enough information out there on the Internet proving all – YES I mean all these Terrorist Groups are run, controlled and financed by Police, Military and Intelligence Agencies.

Anybody who doesn't know that are either: -

- A) Corrupted – Compromised sold out to a Foreign Government
- B) Blind, Dumb, Stupid and Refuse to listen and be educated.

## Qualifying My Harsh Words Above

## The AZNUS Treaty

While Australia may have signed the AZNUS Treaty with New Zealand and America to defend these countries in a Military pack if invaded and attacked.

The Treaty does **NOT** give these politicians and out from accepting known, proven Fake / False Security & Terrorism research, information and data.

To this Scumbags credit is the following, While Carmen Travers was producing and filming “Truth Lies and Intelligence” all about the Iraq War and exposed how England, America, Australia doctored their Intelligence about Iraq Weapons of Mass Destruction, and with Fake – False information being feed through to US Military by Israel

3 Zionist Goon Thugs went to Carmen Travers Office and busted up her computer, threatening to charge her on (FAKE – FALSE) Terrorism chargers if she got in the way

I thought all these Terrorism Laws were supposedly introduced to use against Terrorist?

Not to be used as a Political Tool to quieten dissent or used against people reporting the news?

This just proves 911 Truthers case they introduced these Laws not to be used against Terrorist but to be used against "We The People" if you haven't worked out already when they say Terrorist, they mean you friend, Mary Soccer Mum, and Bill The Plumber.

We The People are the ones these Laws were introduced to control us.

Senator Mark Bishop

Al Qa'ida in the Arabian Peninsula

Anwar Al-Awlaki, the "Ninja" Reported Dead In 2009

Fox News December 24, 2009

## Anwar Al Awlaki Terrorist? Or Pentagon / CIA Employee? Same Thing!

Achmed the Dead Terrorist al-Awlaki, who died in December 2009 in a Yemen airstrike, we are told, seems to be using the same metaphysical ethereal youtube service as bin Laden to get his messages out to the masses of future terror cells managed stateside by the FBI.

## Al-Qaeda Mastermind Invited To Pentagon After 9/11

Al-Qaeda terror mastermind Anwar Al-Awlaki, the man who helped plot the aborted Christmas Day bombing, the Fort Hood shooting, the Times Square bombing attempt, brainwashed the 7/7 bombers, had pursued a Doctorate in Education from the CIA's favorite University, George Washington in DC and who also preached to the alleged September 11 hijackers, dined at the Pentagon just months after 9/11 documents obtained by Fox News show.

## AKE TERROR UPDATE - ANWAR AL-AWLAKI, THE CIA LACKY, IS BOMB MASTERMIND

[http://www.youtube.com/watch?v=GKyGD5TQFa8&feature=player\\_embedded](http://www.youtube.com/watch?v=GKyGD5TQFa8&feature=player_embedded)

American-born cleric Awlaki's role as a key figure in almost every recent terror plot targeting the United States and Canada, coupled with his visit to the Pentagon, only confirms our long stated position that Awlaki is a chief terrorist patsy-handler for the CIA – he is the federal government's premier false flag agent.

## Whoops! Anwar al-Awlaki of the famed Toner Cartridge of Mass Destruction Died in '09

- <http://newsbizarre.com/2009/12/anwar-al-awlaki-dead.html>
- <http://www.foxnews.com/world/2009/12/24/imam-linked-ft-hood-rampage-believed-al-qaeda-killed-airstrike/>
- <http://theintelhub.com/2010/11/04/anwar-al-awlaki-the-ninja-reported-dead-in-2009/>

"Documents exclusively obtained by Fox News, including an FBI interview conducted after the Fort Hood shooting in November 2009, state that Awlaki was taken to the Pentagon as part of the military's outreach to the Muslim community in the immediate aftermath of the attacks,"His appearance at the meeting was deliberately engineered despite Awlaki's ties to three of the alleged 9/11 hijackers – Nawaf al-Hazmi, Khalid al-Mihdhar and Hani Hanjour – who were identified as the suicide pilots that slammed Flight 77 into the Pentagon.

How are We Doing Folks?

Are You Pissed Yet?

Are You Angry These Politicians and Mainstream Media Been lying to you?

I think I have proven my case and the allegations above as far as Australia is concerned these people mentioned above are corrupt to the bone, sold their country out and stepping to America's tune in The War On Terror.

The Truth Movement proved long ago what the plans, ambitions, goals and objectives are and I will remind people again.

The Project For The New American Century rolls along, the PNAC plan has three parts to it

Even Under President Barack Obama the plan rolls along

- 1) America and partners will invade 60 countries all about the world and place their resources (Gas, OIL) Opium Trade In Afghanistan under their control for the benefit of Multi National Corporations, International Wall Street & London Bankers, Security and Military Industrial Complex, AIPAC Jewish Lobby, Media, Big Pharma greed to profit from and which both parties in America have sold out to.

- 2) America would force the world countries to join up with these World Unions e.g. EU, North American Union, Asian Union, African Union, Middle East Union, Pacific Union, South America Union, each Union would have their own currency, each Union would be played off against each other Union crashing each others economies, starting Wars with American Military Industrial Complex selling Weapons to both sides.

Eventually all these Unions would fold and come together under 1 Union, a One World Order Government with America and Israel taking a major control of it.

- 3) Population reduction the world population stand at 6.3 Billion people, this figure would drop by 90 % killing off 90 % of the population world wide, America would release virus, biological weapons to countries, and corporations to use against the worlds citizens to reduce the worlds population down to a manageable size population for the One World Order Government to supervise – manage

It's a plan written by these neo-cons (New Age Nazi – Fascist Conservatives) most Talmud believing Zionist Jews

These people are absolutely mad, but they have taken control of America, Israel, Germany, France, Canada, and England and control some European Countries also, Australia.

The World is at War alright, the people of the world are at War with the above people who are trying to implement their 3 point Project For The New American Century Plan upon the citizens of the world

Handy map of Israel's occupied Slave-States, in brown, and those nations which remain free, in gold.

Latsly As For Al Qa`eda Magazine “Inspire”

Please Read The Following

## Al Qaeda in Yemen Call Ahmadinejad a 9/11 Truther

The latest edition of a glossy al Qaeda-run magazine is out, and it slams Iranian President Mahmoud Ahmadinejad as the equivalent of a Sept. 11 "truther" -- someone who accuses the U.S. government of initiating the 2001 terror attacks on the United States.

Inspire magazine, the product of New Mexico-born cleric, Anwar al-Awlaki, was pegged to commemorate the 10th anniversary of the Sept. 11 bombing, but was posted on its website 16 days late, an indication, say analysts, that al Qaeda in Yemen is feeling pressure from U.S. counterterrorism operations and instability in the country.

The publication's seventh issue, obtained by the Middle East Media Research Institute (MEMRI) and provided to Fox News, is relatively short -- 20 pages -- compared to earlier editions.

But it includes a section titled "Iran and the Conspiracy Theories."

"The Iranian government has professed on the tongue of its president Ahmadinejad that it does not believe that al Qaeda was behind 9/11 but rather, the U.S. government.

So we may ask the question: why would Iran ascribe to such a ridiculous belief that stands in the face of all logic and evidence?" opinion writer Abu Suhail asks.

Last week, Ahmadinejad appeared before the United Nations General Assembly and blasted the U.S. for disposing of al Qaeda leader Usama bin Laden.

"Last year, when the need to form a fact-finding team to undertake a thorough investigation concerning the hidden elements involved in September 11 incident was brought up an idea also endorsed by all independent governments and nations as well as by the majority in the United States.

Now Read The Following and if you are not brain dead, brain washed a few questions if Al Qa`eda is a true Terrorist group

- Why is Israeli putting in a planted story?
- We have Israel admitting they planted this story to take the piss out of Iranian President for his views of 11<sup>th</sup> Sept 2001.
- Little do these dopes realize they prove 911 Truthers right, that 11<sup>th</sup> Sept 2001 Was An Inside Job other wise why play games?

### Israeli Admission: Al Qaeda Threat to Iranian President a "Prank"

<http://www.veteranstoday.com/2011/09/28/israeli-admission-al-qaeda-threat-to-iranian-president-a-prank/>

Highest level sources inside Israel's military intelligence community are laughing themselves to death.

They took the American press "hook line and sinker" when a story was put in what was claimed to be an Al Qaeda " magazine" threatening Iranian President Ahmadinejad for failing to give "them" credit for 9/11.

I Would Say The Above People Are In The Shit Well And Truly, The above list of people are employed by The Commonwealth Of Australia and being employees of The Commonwealth have a duty to record information which is true and correct, by recording Fake – False information about Terrorism, Terrorist Groups means a case could also be made that these people above named could be prosecuted for "Espionage Against The Commonwealth of Australia"
